## FINANCIAL POLICY

All dental treatment rendered to the patient must be paid in full at the time of treatment.

Exceptions: treatment requiring lab work, i.e. crown/s bridge/s, implant restoration and denture/s. The above treatment/s requires a down payment of **50%** of the total charge and must be paid in full at time of insertion. Payment plan options are available if needed.

Our office **does not** participate with any insurance carrier. An insurance policy is an agreement between you and your insurance company. Patients are therefore directly responsible for all charges.

For your convenience, Dr. Kohn, Dr. Kollander, Dr. Eisenberger and Dr. Galler accept cash, personal checks (no third party), and all major credit cards. Additionally, we participate with Care Credit; a medical financing company for patients requiring longer term patient options.

Any open balance carried on your account for more than 30 days will incur a **\$10 late fee**, which will appear on your monthly statement.

For more information, or questions in regards to the financial policy, please speak with a member of our office staff.

**I agree to all of the terms outlined above.**
